

THIRD
ANNUAL REPORT
OF THE
JEWISH GENERAL HOSPITAL
NON-SECTARIAN

For the Year Ended December 31st, 1936

OUR "TRIBUTE EVERLASTING"

A Tribute

HIS, the Third Annual Report of the Jewish General Hospital is but the first printed record of its activities. It is opportune therefore, that some expression of gratitude be here recorded to the thousands of workers and contributors, who, during that memorable campaign of 1929, assured the creation of this House of Healing. There can be no greater tribute to their generous impulses, than the record of the Hospital's service to the Community as it appears in the accompanying pages.

We are confident that the spirit which prompted the creation of our Hospital will always be manifest, and that our Institution will, by its achievements, continue to reflect glory on all who participated in the establishment of our "TRIBUTE EVERLASTING".

ADEQUATE SUPPORT IS ESSENTIAL TO THE PROGRESS OF THE HOSPITAL

•

The Board of Administration earnestly appeals to the Governors of the Hospital and other contributors to assist them in obtaining new and increased subscriptions.

GOVERNORS' FEES

Minimum qualification fee.....	\$100.00
Minimum annual fee.....	15.00

Article IV of Chapter 1 of the By-Laws provides as follows:

"All persons who have subscribed and all persons who shall hereafter subscribe and pay to the Corporation a total sum of \$100.00 or over, may be elected by the Board of Administration as Governors of the Corporation and shall continue as such as long as they pay annual dues of not less than \$15.00."

1936

REPORT OF THE PRESIDENT

TO THE GOVERNORS OF THE JEWISH GENERAL HOSPITAL:—

BEFORE placing before you my report for the year 1936, let us pause a moment to give recognition to an historic event which is to take place in the year 1937—the Coronation of the King and Queen of our Empire.

As Jews and as British Subjects, we are ever mindful of the manifold blessings which have come to us under British Rule.

To our new King, George VI and to his gracious Queen Elizabeth we offer our homage and sincere wishes for a long and happy reign.

And now, on behalf of your Board of Administration, I beg to submit for your approval the President's Third Annual Report for the year ended December 31st, 1936.

Once again it is my privilege to bring you the highlights of the year's activities and to give you a brief outline of our achievements for that period.

The year under review marks the second full year during which your Hospital has rendered its services. Each succeeding year brings with it the gratifying assurance of the increasingly important place which our Hospital occupies in our civic and communal life.

We are gratified to be able to report a considerable increase in service to our Community over the previous year. The demand for public beds has been even greater than it was in our first year, when every available bed was continuously occupied. To meet this demand a section of our semi-private floor was made available to public patients. The number of public beds has grown from the 82 originally provided for in the plans to a total of more than 120. While it is gratifying to know that our Hospital has so largely earned the confidence of the public, it is distressing that we still cannot give prompt admission to all applicants for public beds. That there has been some increase in the number of private and semi-private patients is noted with satisfaction. The Out-Patient Department's activities have kept pace with those of the rest of the Hospital. Reference to the Superintendent's Report will show interesting details of the growth of our services which tend to emphasize the fact that we are fully meeting our charitable obligations to the Community.

We have no hesitation in stating that it is not only the quantity of our service which has increased, but that its quality has reached an exceptionally high standard. The quality of the Hospital's services does not readily lend itself to statistical measurement, but it is none the less obvious to all those who are in close touch with our activities.

It is a matter of great pride to us to be able to say again that no patient was ever refused treatment because he was too poor to pay for it. I need hardly add that the application of this policy was not limited to those of our own faith. Our services were made available to all who needed them, without distinction.

Whilst, I know that the information which I have just given you, is of great interest to you, I am equally certain that you are anxious to know what this great service represents financially to our Community. That such an extensive charitable service must result in a substantial deficit, has been the experience of all similar public institutions, and must be obvious to you. The statement of Revenue and Expenditures reveals an operating deficit of \$64,216.45. This is the difference between the expenditures which totalled \$232,259.91 and the operating income which amounted to \$168,042.46. The Hospital continues to

be operated along the lines of strictest economy in accordance with the established policy of your Board of Administration. Every proposed expenditure is carefully studied before being authorized and as a result, we feel that the cost of operating the Hospital has been reduced to the lowest possible figure consistent with the maintenance of our standards of care to those entrusted to us.

It is obvious that with the number of public patients, continuously increasing, financial security must be sought from sources other than patients' revenue. This is the experience of every hospital which places the proper care of its patients above the desire for a balanced budget. The quantity and quality of a hospital's work is determined by the adequacy of the community's support which it receives. Our Community must be impressed with the importance of providing a continuous income for the Hospital from several sources. We look to you, Governors of the Hospital, to stimulate the development of:

1. A large supporting membership.
2. Endowment Funds.

In our first campaign for Annual Maintenance held during the year under review, a total of approximately \$47,000 was realized. A comparison of the amount of our deficit with this figure makes it apparent that if we are to achieve financial stability, the members of our Community must be aroused to a fuller realization of more liberal support of this outstanding Institution. We are hopeful that as our people become more deeply conscious of the important humanitarian service which our Hospital is rendering, they will assume the full share of their obligations to its support.

Were it not for the existence of endowments, few if any of our hospitals could carry on their important work. An Endowment Fund is the backbone of a hospital's financial structure. I appeal to all Governors and other friends of the Hospital to assist us by inducing those whom they can influence to include the Hospital among their beneficiaries. Only through the availability of an increasing Endowment Fund can we hope to maintain the security of our Institution and assure the continuance of its great work and thereby making it a source of pride to our entire Community. It is with a sense of deep satisfaction and gratitude that we report the receipt of the following legacies:

From the Estate of the Late Rachel Joseph of London.....	\$2,000.00
From the Estate of the Late S. D. Harris.....	852.50
From the Estate of the Late S. L. Kolber.....	300.00
From the Estate of the Late S. E. Lichtenheim.....	100.00
From the Estate of the Late Mrs. B. Steinhouse.....	50.00
From the Estate of the Late Max Vineberg.....	150.00

These amounts constitute the nucleus of our Endowment Fund, which will be invested under the supervision of your Board of Trustees. That these funds have come to us in our first years is but an indication of what might be accomplished as time goes on with the good will and influence of the members of our Community.

I feel that I can not leave the subject of finances without making some reference to the unpaid and partially paid subscriptions to the Building Fund. Almost 8 years have elapsed since that gloriously successful effort to raise funds for the building of the Hospital, of whose achievements we speak tonight, was concluded. That we still find ourselves with a substantial amount due on these pledges is a matter of serious concern to us. We are not unmindful of the economic stress which undoubtedly is responsible for the delay on the part of many subscribers in meeting their obligations. Nor do we disregard the fact that many subscribers have paid their pledges in full at great personal sacrifice. I appeal to all those who have not yet completed payment of their

pledges to do so at the earliest possible moment. My appeal to them is based not so much on the validity of the obligation which they assumed, and which they are duty bound to fulfil, but far more on the urgency of the need for these funds. No hospital is, in a sense, ever complete. This is particularly true of a new hospital. In building and equipping our Institution, we have, with the funds available, provided adequately for the care of our patients. There are still a great many urgent needs for our Institution which have an important bearing on its scientific development. I mention but a few of these. An adequate medical library is an essential part of every progressive hospital. Facilities for the carrying on of research problems must be provided if we are to contribute at all to medical science. Apparatus for clinical and micro-photography are important for the broadening of our medical staff's education. There is a growing need for a Nurses' Home. Lack of housing facilities is a serious handicap to the nursing staff and to the maintenance of a consistently excellent type of nursing service. We may soon have to give consideration to the establishment of a training school for nurses. Better economic conditions have resulted in a greater demand for the services of graduate nurses and in consequence we are faced with a nursing shortage. The creation of a school for nursing would be of great advantage to the Hospital and would in addition, provide an opportunity to many of our girls to enter the nursing profession. Such a project requires a considerable capital investment for a nurses' home. I hope that by briefly referring to our more important needs, I have made clear the reasons for our anxiety regarding the amounts owing to the Building Fund. The good faith and sincerity of our subscribers were never questioned. With improvement in business conditions, we look with confidence towards the collection of a substantial portion of the balances due. An institution conceived as was the Jewish General Hospital, can never stand still. The march of progress must be a continuous one or a retrograde movement sets in. We look to those of our Community who by their enthusiasm and generosity created our Institution, to continue with us in our march so that the scientific future of our Hospital may be assured.

We desire to express our heartfelt thanks to all those who by their generous contributions helped us to accomplish our aims in the care of our sick. I want particularly to acknowledge the gift of a portable electrocardiograph from the children of the late Mrs. Mary Gross. This will forever serve as a tribute to her memory and to the generous impulses of her children. The Hospital presents many such opportunities for perpetuating the memory of a loved one. Any one interested may obtain information and suggestions from the Superintendent or any member of the Board of Administration. We sincerely hope that others will follow the splendid example of this family.

The year has seen several important changes in the Medical Staff. Dr. A. T. Bazin, Active Consultant in the Department of Surgery, has, at his own request, been relieved of active duties and has been appointed to the Consulting Staff. Dr. Mark Kaufmann was appointed Chief of the Surgical Service and Dr. Geo. J. Strean, Chief of the Obstetrical and Gynaecological services. Promotion was given to several members of the staff and a number of new appointments were also made.

The Board of Administration wishes to give grateful recognition to the important part which the Medical Staff has played in the development of our Hospital. Too few of our public are familiar with the vast amount of time and energy which our doctors devote to the care of the sick in our Hospitals. Their self-sacrifice is deserving of the admiration of our entire community.

To Dr. A. T. Bazin, Chairman, and to every member of the Medical Board, we express our deepest gratitude for the manner in which they have conducted and guided the professional work of the Hospital.

The year under review saw the inauguration of one of the most impressive undertakings in the interests of the Hospital. The organization of the Women's Auxiliary with its phenomenal development to one of the most important women's organizations in our Community, is a source of great pride to us. Aside from the moral support of this vast organization, which is highly valued by us, the Auxiliary has given substantial material aid to the Hospital. In its first year, this Organization has purchased much needed additional equipment and has supplied all the necessary linens for the Hospital. In addition, the Life Saving Fund which is supported by the Patronesses of the Auxiliary, has made available to our poor patients, funds for blood transfusions, special nurses and other costly life-saving measures. These and other activities of the Auxiliary have gained the admiration and gratitude of our entire Board of Administration. It can safely be said that were it not for the Auxiliary, the Hospital Budget would have been approximately \$5,000.00 higher for 1936. To the President, Mrs. Alton Goldbloom, we owe an expression of deepest appreciation for her brilliant leadership of this group. To the members of the Executive Board and the entire membership of the Auxiliary, we express our thanks and appreciation for their generous interest and support.

In accordance with the provisions of our By-Laws, the Board of Trustees was established during the year. To this Board have been elected members of our Community who have long been known for their outstanding work and interest in our philanthropic institutions. We are confident that the Hospital will benefit greatly from the association of these eminent gentlemen with our work.

It is with deep sorrow and regret that we record the loss of two of our Community's outstanding citizens. The death of Mr. Mark Workman has taken from us one of our most interested supporters. His influence in every worthwhile philanthropic undertaking will cause him to be keenly missed by all. The death of Mr. Ascher Pierce, friend of the Hospital and outstanding member of our Community, has saddened all who have known him. The loss by death of a number of other Governors and Contributors is recorded with profound sorrow.

To my fellow officers and members of the Board of Administration, I extend my deepest thanks and appreciation for their co-operation and support.

To the Committees of the Board of Administration, I extend my gratitude for the manner in which they carried out their onerous duties. I want particularly to pay tribute to Messrs. S. Blumenthal, V. Cape, N. L. Engel, and M. Latsky who, although not members of the Board of Administration, rendered distinguished service to the Hospital as members of the House and Purchase Committee.

To Mr. Samuel S. Cohen, Superintendent, we are grateful for his untiring devotion and intelligent handling of the many problems which confront him in the administration of the Hospital. To his many co-workers in the Hospital we are likewise thankful for their ever cheerful and efficient service.

We gratefully acknowledge the continued support of the Government of the Province of Quebec and of the City of Montreal. Their generous co-operation make possible the continuance of our work.

Once again our grateful thanks are due to the Yiddish and English Press for their sympathetic co-operation.

Our thanks are extended to Messrs. Weinfeld & Rudenko and to Mr. Chas. Gavsie of their firm for their generous assistance and advice in legal matters, to Mr. H. E. Herschorn for notarial services and to Mendelssohn Brothers for their services as customs brokers without fee.

In concluding this report, I want to give emphasis to the profound influence which our Hospital exerts on the life of our Community. Not only are the sick and injured adequately cared for, but we serve as a center for medical education. The clinical and scientific conferences, meetings and lectures held regularly at the Hospital are important steps in the advancement of our aims and purpose to create an outstanding scientific institution. With the encouragement of your help and approval, we shall continue to work towards ever higher ideals in the care of the sick and the advancement of scientific medicine, and we hope that you, as Governors and supporters of the Jewish General Hospital will continue to feel a glow of pride in its achievements.

Respectfully submitted,

ALLAN BRONFMAN,
President.

JEWISH GENERAL HOSPITAL OF MONTREAL

AUDITORS' REPORT

MONTREAL, APRIL 14TH, 1937.

BOARD OF ADMINISTRATION, JEWISH GENERAL HOSPITAL,
Montreal, Que.

Gentlemen:

We have audited the books and records of the Jewish General Hospital for the year ended December 31st, 1936, and are now pleased to make our report.

We attach hereto the following:

BALANCE SHEET as on December 31st, 1936.

STATEMENT OF INCOME AND EXPENSE—HOSPITAL OPERATIONS, for the year ended December 31st, 1936.

SUMMARY OF EXPENSES—HOSPITAL OPERATIONS, for the year ended December 31st, 1936.

STATEMENT OF NON-OPERATING INCOME, for the year ended December 31st, 1936.

RECONCILIATION OF CAPITAL ACCOUNT, December 31st, 1936.

We have examined vouchers for all disbursements and have verified all bank transactions. Bank balances have been verified by means of certificates from your Bankers. Cash on hand, cheques and notes, have been duly verified and checked. Securities have been checked with your depositories. Inventories are shown as per figures supplied by your Superintendent.

Investments in bonds, shown on your books, at a value of \$29,335.75 are represented by the following items:—

	<i>Par value</i>
Dominion of Canada Conversion Bonds—1959.....	\$25,000.00
Canadian Pacific Railway.....1944.....	3,000.00
Wood Products Limited.....1940.....	1,000.00
Elm Ridge Country Club Inc.....1943.....	1,900.00

Your Balance Sheet shows an item of \$3,277.75 representing Bills Receivable due on pledges to the Building Fund as well as \$6,620.31 for pledges receivable on the 1936 Maintenance Fund Campaign. The majority of the payments on these two accounts are being paid at maturity. The item of \$11,470.35, however, made up of past due notes and cheques covering pledges on the Building Fund, is of very doubtful value.

In addition to liabilities as shown on your Balance Sheet, there is a deferred liability of \$23,679.84 for expropriation taxes to the City of Montreal. This amount is payable, plus interest, in sixteen annual installments.

Your statement of Income and Expense on Hospital Operations for the year 1936 shows a net operating loss of \$64,216.45.

Non-operating Income for the year 1936, represented by contributions to 1936 Maintenance Fund, investment income, donations, memberships, etc., amounted to \$46,698.87 after deducting campaign expenses.

Receipts from pledges to the Building Fund during the year 1936 amounted to \$18,703.70 after deducting expenses of collection.

Subject to the foregoing, we certify that the attached statements correctly set forth the position of the Jewish General Hospital as on December 31st, 1936 and the operations for the year ended December 31st, 1936 according to the best of our information and the explanations given us and as shown by your books and records.

We must express our appreciation to your Superintendent Mr. S. S. Cohen, to Mr. M. Segal and to Mr. Frederick M. Goldstein and the rest of your office staff for the assistance and co-operation rendered to us during the course of our Audit.

Respectfully submitted,

I. BLACKMAN & CO., *Chartered Accountants.*

REPORT OF THE SUPERINTENDENT

MR. ALLAN BRONFMAN, PRESIDENT,
JEWISH GENERAL HOSPITAL.

Sir:—

I HAVE the honour to submit for your approval the Third Annual Report of the Superintendent for the year ended December 31st, 1936.

The total number of patients admitted during the year was 3,827, an increase of 178 over last year. These patients received an aggregate total of 47,348 days of treatment, an increase of 1,958 days. The public wards remain filled to the limit of their facilities. The continuously increasing demand for public beds has made it necessary to create additional ward space. This problem was met by adapting for use a portion of the third floor which was planned for semi-private patients. The additional 20 ward beds thus created have been occupied continuously from the time they were put into use, early in November. Despite the augmented number of public beds, we still have a large waiting list of patients seeking admission.

Of the total number of hospital days, 32,419 days were for public patients, 10,864 for semi-private patients and 4,065 for private patients. In analysing this record of our service to the Community, it is interesting to observe that only 8% of the total number of patients treated came into the private category. This means that only 8% of the patients paid what it costs to maintain them. Further analysis reveals that 20% were semi-private patients and 72% public patients. The above analysis may be summarized by stating that 92% of the Hospital's services are rendered below cost. It is obvious that such a large proportion of charitable work can not be carried on without a deficit. We shall return to a consideration of the financial aspects later in the report. Meanwhile, a few additional statistics will, I believe, be of interest to you.

The average stay per patient in the Hospital was 12 days. This is a striking illustration of the efficiency of modern hospitalization. It was not so long ago that the stay of patients in hospitals averaged more than 20 days. The development of modern methods of diagnosis and treatment is therefore responsible for enormous savings, not only in the cost of hospitalization but also by virtue of restoring the sick to useful occupation more promptly.

Deaths totalled 113 of which number 36 died within 48 hours of admission to the Hospital resulting in a net death rate of 2%.

The Maternity Department has shown its usual activity during the year. There were 634 confinements, and it is gratifying to be able to record again that no maternal deaths have occurred. This brings our total number of confinements up to more than 1,500 without the loss of a single mother. The infant mortality was 2.5%.

The Out-Patient Department continues to increase at a rapid pace. During the year 2,804 new patients were registered who, together with those previously recorded made a total of 24,863 visits. This represents an increase of 4,864 visits or 25% over the previous year. This tremendous amount of service, which is given in the majority of instances without any fee, contributes substantially towards our deficit. It should be here recorded that this service would not be possible without the tremendous sacrifices on the part of the Medical Staff. The services rendered by the Physicians in the Out-Patient Department alone, if charged at the nominal rate of \$1.00 per visit would result in fees of \$25,000 per year. When to this is added the even greater service given by the Medical Staff to bed patients, we begin to appreciate the enormity of the Profession's contribution towards our Hospital and to the health of our Community.

An examination of the statement of Revenue and Expenditures reveals an operating deficit of \$64,216.45. The operating income of \$168,043.46 represents an increase of almost \$20,000. over last year. This is made possible through the greater number of private and semi-private patients. The expenditures totalled \$232,259.91, an increase of approximately \$12,000 over last year. Additions to the staff necessary to handle the increased number of patients accounts for the greater portion of this increase, while increased cost of supplies was another contributing factor. The per capita cost for all classes of patients based upon charging the full cost of hospital operations to in-patients, was \$4.87 per day.

For reasons of economy, detailed reports of individual Departments are not included in this report. However, appended hereto, is a statistical summary of all Departments, which gives but an indication of the tremendous demands on their respective facilities. I cannot refrain however, from briefly commenting on the work of various Departments.

The Department of Laboratories has carried on its work under handicaps which were referred to in the report of the previous year. The scientific standards developed by the Medical Staff and the increased volume of work demand that more space be provided for the Department. Larger animal quarters are a particularly urgent need.

The X-Ray Department is being utilized to the full extent of its facilities. The Deep X-Ray Therapy apparatus has been put to many important uses during the year and has greatly contributed to the activity of the Department.

The Nursing Department continues to render thoroughly efficient and humane nursing service.

Our food service continues to evoke frequent favorable comment. The strict observance of the Dietary Laws has not in any way prevented us from giving thorough satisfaction to all our patients. The Hospital Farm was again an important factor in keeping our food cost down. The home-canning of some 4,000 cans of fruits and vegetables helped to further reduce our expenditures in this Department. Close supervision and imaginative planning combined with the foregoing has resulted in bringing our cost per meal for raw food down to 9⁷/₁₀ cents as against 9⁹/₁₀ cents for the previous year. It is a matter of deep satisfaction to us to be able to record this economy in the face of rising food costs.

The Women's Auxiliary has become one of the most important adjuncts to the Hospital. Its activities have contributed materially to the welfare and progress of the Hospital. I am indebted to the President of the Auxiliary, Mrs. Alton Goldbloom, as well as to the various committees, particularly to Mrs. Greenberg and Mrs. Wener of the Linen Committee for their close co-operation. My thanks and appreciation are extended to the various Service Groups who have aided us greatly by their work.

The Medical Board, under the Chairmanship of Dr. A. T. Bazin, has done much in the past year to further develop the scientific standards of the Hospital. My grateful appreciation is due to the Chairman and members of the Board for their keen interest in the many medical problems which confronted them and for their close co-operation at all times.

Once again I want to extend my thanks to the members of the Board of Administration and to the officers and committees of the Board. Their co-operation and advice have aided me greatly in carrying out the policies laid down by them.

It is my pleasure to acknowledge with deep gratitude the loyal and efficient service rendered by the Department Heads and by the members of their staffs. Their devotion to their respective tasks, often under difficulty, is a source of deep satisfaction to me.

To the many friends of the Hospital who by their generous contributions have given evidence of their interest in the welfare and progress of the Hospital, I am deeply grateful.

I cannot close this report without referring with pleasure to the greater co-operation which the public has given us during the past year by closer observance of the various rules and regulations, so necessary to efficiency and dignity. Hospital rules are sometimes difficult to understand. We ask our public to bear in mind that it is our constant aim to see every problem from the viewpoint of the patient, and whenever we seem to disregard the wishes of the individual, it is because our experience teaches us that to do so, is in the interests of all concerned. Rules and regulations which may, to the individual seem unnecessary and even arbitrary, are enforced only because failure to do so would work harm to his neighbour. Restrictions of visitors which often entail hardship, are justified only because an undue number of visitors to a convalescent patient, while not harmful to him, may be most injurious to another in an adjoining bed.

In concluding this report may I express to you, Mr. President, my deepest appreciation and thanks for your good counsel and advice. Your sympathetic understanding of all Hospital problems and your energetic interest in their solution have been a genuine inspiration to me in the administration of the Hospital.

Respectfully submitted,

SAMUEL S. COHEN,
Superintendent.

WOMEN'S AUXILIARY

REPORT OF THE PRESIDENT

READ AT THE ANNUAL MEETING OF THE AUXILIARY, JANUARY 6, 1937.

IT is with genuine pride that I present this my first annual presidential report of the Women's Auxiliary of the Jewish General Hospital. As my mind travels backwards across time to January 30th, 1936, I recall with distinct pleasure that memorable meeting when our organization was born. What a lusty youngster we have grown to be. There were those who had come to that meeting with an attitude of indifference and some curiosity. They left that hall stirred to an ardent enthusiasm to serve the hospital and thereafter became a building force in our organization. Truly we have made history in women's groups, not only for the extraordinary rapidity of our growth, but in the usefulness of our endeavors. To Mr. Horace R. Cohen who had much to do with starting us on our career, this day must bring to him considerable satisfaction. I regret his inability to be with us today to share in the full knowledge of our development and accomplishment. Many of us recall at this moment the enthusiastic stimulation given by our first patroness Mrs. Meyer Lefcort on that particular day and we sadly think of her passing. After this meeting came the magnificent response of the general public to our charter membership drive. To those who served in that drive and to those who became members we tender our sincere thanks and appreciation. We had the inspiration and proud distinction of having the Lady Tweedsmuir as our Honorary Patroness to lead us on to greater effort.

Following that remarkable membership campaign came an event which marked a phase in our development—the completion of the Charter Membership Drive. We were guests of Mrs. Samuel Bronfman, our Honorary Treasurer, at a charming reception and tea held at the Montefiore Club and we owe to her a hearty expression of thanks and appreciation.

Our first general meeting at the Mount Royal Hotel took place on April first. This meeting was distinguished by an impressive ceremony when Rev. Dr. H. Abramowitz dedicated that very beautiful parchment Charter Members Book, the gift of Mrs. Allen Bronfman our Vice-President in honour of the chartered members and dedicated to the memory of her mother. Thus—thanks to Mrs. Allen Bronfman, our names are recorded for all time and we owe her a debt of appreciation. Rev. Dr. H. Abramowitz was our speaker on that day and gave us an inspiring address on "Health, Healing and Holiness."

Before proceeding further, I would like to speak of the patronesses to the Life-Saving Fund. That particular branch of our service has a warm and lasting place in my heart. It has stirred me to a greater faith in human nature and its ability to rise to lofty heights of personal sacrifice. I wish to thank the patronesses for the opportunity they are giving our desperately sick poor to a new start in life. It is gratifying to know the great good this fund has already accomplished. The blessings of the needy will surely follow those who have made this service possible. It is with a heartache that I pause to think of the recent loss of two of our patronesses, Mrs. Al. Lesser and Mrs. Ascher Pierce.

To our out-of-town associate members, I wish to say how much we welcome their interest in our work for the hospital and we hope for a continued and increased membership both from the distant east and far west. May they continue to multiply.

I now turn to the work and service of our various committees. Mrs. Jos. Greenberg and Mrs. Albert Wener have headed our linen purchasing and sewing group and have rendered to the hospital together with their assisting ladies a service which for value it would be difficult for me to estimate. When we realize that this group has in 1936 sewn 7240 articles, one must think of work being done four days a week the year round and many hours daily. Truly we owe them a large measure of gratitude and I would ask Mrs. Greenberg and Mrs. Wener to accept and convey to their committee our very sincere thanks. While on the subject of the sewing committee, I desire to express to Mrs. C. J. Gross the last president of the Ladies Auxiliary of the Hebrew Maternity Hospital and that organization our appreciation for the gift of two sewing machines and also to thank Mrs. S. W. Jacobs, Belmont Ave., for the gift of a machine. These gifts have helped to make this sewing possible.

To the Surgical Dressings Committees under the chairmanship of Mrs. Harold Segall, Mrs. David Ballon, Mrs. L. Miller, Mrs. S. Pesner, Mrs. Norman Viner and Mrs. Saul Usher we wish to assure them of the appreciation of the hospital for their assistance in making the work of the staff simpler and more efficient. It is of great interest to learn that these groups made 148,210 bandages of various types in 1936. I would extend to each and every lady who assisted in this department our sincere thanks. We regret the inability of Mrs. David Ballon and Mrs. Harold Segall to carry on but are happy to welcome Mrs. George Streat and Mrs. Samuel Klein in their places.

Mrs. M. J. Raff as chairman of our membership committee has together with a group of hard-working ladies given a service and loyalty that has been an inspiration. Mrs. Raff's ability for organization is such as to make her of distinct value in our growth and development. The membership committee has done a splendid piece of work throughout the year and we offer them a hearty vote of thanks. Long may they continue to serve. I am happy to record a membership of 2061 at the end of our first year.

As Chairman of the car committee Mrs. Jack Klein has given an efficient and conscientious service in the face of a limited response from car owners. Her contribution has been extremely worthwhile and I wish to assure Mrs. Klein and those who assisted her that we value their service and ask them to accept our best thanks. We are sorry to lose Mrs. Klein as chairman of the car committee and we are happy to welcome Mrs. H. Shiller to this important position.

The telephone committee under Mrs. A. C. Benjamin have been of considerable help in the past and we look to them for further assistance in 1937. We thank them and their chairman Mrs. Benjamin most sincerely.

Our By-Laws have been in the hands of Mrs. C. J. Gross one of our vice-presidents, and Mr. Isidore Ballon, K.C. I wish to assure them of our appreciation of their guidance and to thank Mr. Isidore Ballon, K.C. on behalf of the Women's Auxiliary for the legal service he has rendered to us gratis.

To Mrs. A. Raginsky Sr. another vice-president I would extend our many thanks for the care and attention to our publicity. Mrs. Raginsky's devotion to this department has been of stimulating assistance in our growth and development.

Before proceeding further I wish to recall the very successful general meeting that was held the first Wednesday of November when Mr. Allan Bronfman President of the Jewish General Hospital was our guest speaker. Mr. Bronfman gave to our large audience a most stimulating address which was very much appreciated.

Mrs. Ezra Lozinski in looking after the music for our meetings has added that particular note of charm that has lent distinction to our meetings. Mrs. Lozinski has our hearty appreciation.

The first money-raising venture, a Social evening, Keno and Bridge proved highly successful and netted the very handsome sum of over nine hundred dollars. I wish to thank all who contributed in any way to the success of that evening. The dining room for this event was considerably enhanced by cretonne curtains the gift of Mrs. A. Gordon to whom we extend our thanks.

A very gratifying undertaking was the presentation of Chanukah gifts by the Women's Auxiliary to the children in the hospital. Their joy was only equalled by the pleasure it afforded us. I wish to thank Mrs. S. Pesner for purchasing the gifts. The patients joy was further increased by the presentation of gifts by the children of Mr. and Mrs. Samuel Bronfman. At the same time I would like to thank Mrs. Joseph Cohen for her Purim gifts to the children.

Mr. I. Blackman our Honorary Auditor has been of inestimable help and has given us a faithful service. I wish Mr. Blackman to know that we value his assistance and to assure him of our gratitude and appreciation.

To Distillers Corporation Co. we desire to extend a hearty expression of appreciation for their hospitality in providing us with a home for executive meetings and campaign headquarters. To Mrs. M. Segal we owe a sincere vote of thanks for her valued assistance.

We wish to thank the Press for the space and publicity they have given us in bringing our work before the public.

The members of the Board have, for the most part, rendered us a faithful and devoted service and we look to them to maintain a high standard of efficiency. Their contribution to our development is worthy of note and deserves our thanks and appreciation.

I turn now to our Executive Board. Well do I realize that the road we have travelled together has been arduous. We have had moments of great weariness but always have we travelled on, no matter how great the fatigue, for our aim has been lofty. To the vice-presidents I express a genuine thank you for their co-operation and loyalty in a year of organization that has taxed all our strength and resourcefulness. Mrs. Allan Bronfman, Mrs. C. J. Gross, Mrs. Jos. Kruger, Mrs. S. Leopold, Mrs. A. Raginsky, Sr. and Mrs. H. Singer have the assurance of our esteem and high regard. We wish to express our appreciation to our Honorary Treasurer Mrs. Samuel Bronfman for her co-operation in all the needs that have arisen and to thank her for the lovely gift of curtains for the Lecture Hall. As for the secretaries, Mrs. David Tannenbaum, Mrs. Maurice Greenblatt, Mrs. Victor Michaels and Mrs. Lewis Freedman—they have been a tower of strength and comfort at all times, when the burden has been heavy and the hours of service long. I wish them to know how much I personally have appreciated their devotion to duty and to ask them to accept the expression of our high esteem.

Before closing I wish to thank all those who have in any way made a contribution by gift or deed and to thank the President of the hospital, Mr. Allan Bronfman, and the Superintendent Mr. Samuel S. Cohen for their helpfulness and co-operation at all times.

Respectfully submitted,

ANNIE E. BALLON GOLDBLOOM,

President,

Women's Auxiliary of the Jewish General Hospital.

May We Suggest That You Consider
In Your Will The
JEWISH GENERAL HOSPITAL

•

Your memory or the memory of persons you love or regard highly can be fittingly perpetuated and at the same time you can help sick men, women and children who are in destitute circumstances and in need of free medical service.

•

The following is an extract from the Quebec Succession Duties Act:

Section 30 - Exemption for Religious Purposes, Etc.

“No duty shall be leviable on property devised or bequeathed for religious, charitable or educational purposes to be carried out in the Province of Quebec by a corporation or a society having an establishment within the Province of Quebec, or by a person resident in the Province of Quebec, nor on the amount of any unpaid subscription for any like purpose made by any person in his lifetime to any corporation, society or person mentioned in this section.”

IN MEMORIAM

**THIS PAGE IS DEDICATED
TO THE MEMORY
OF
GOVERNORS
AND
CONTRIBUTORS
WHO HAVE PASSED AWAY
AND WHO
THROUGH THEIR GENEROSITY
MADE POSSIBLE
THE
CREATION AND MAINTENANCE
OF THE
JEWISH GENERAL HOSPITAL**
